COMPANY PROFILE

PODDAR TYRES LIMITED (PTL) is a leading Manufacturer-Exporter of Tyres & Tubes since 1964 for Bicycle, E-Rickshaw, Motorcycle, Scooter and Three Wheeler Vehicles under its renowned brand  **BEDROCK®**.

To Most People, a Tyre is just a Tyre. But that is where the similarity ends. Because  **BEDROCK®** Tyres & Tubes are products of engineering excellence, crafted & manufactured to exacting standards in the latest state-of-the-art modern plants with computerized auto testing facility.

High grade of raw-materials sourced from most reputed companies in India and abroad, excellent manufacturing capabilities backed by a strong R&D team, stringent quality control management ensures that the Tyres & Tubes meet the demanding Domestic and International standards.

 **BEDROCK®** Tyres have set high standards in quality & design to give high abrasion resistance, anti skid characteristics, better traction properties, greater mileage and longer life with better riding comfort.

 **BEDROCK®** Tyres & Tubes is the leading brand and enjoy high level of confidence of the Consumers. After all,  **BEDROCK®** has a huge family of thousands of happy Dealers, Leading Cycle Manufacturers (OEM) and millions of satisfied Customers with more than 600 millions Tyres & Tubes rolled out from our factories at Mumbai & Ludhiana since 1964.

 **BEDROCK®** Tyres & Tubes are exported to Central & Latin America, Europe, Africa & Middle East Countries. Locally within India we have a strong network of over 10,000 Dealers and 52 Sales Offices spread all over the Country.

In addition of having ISI product quality certification from the Bureau of Indian Standards (BIS),  **BEDROCK®**'s manufacturing operations have been conferred “Export-Worthy” status under “In Process Quality Control (IPQC)” system & also ISO 9001:2015 Certification by world renowned accreditation body DNV (Det Norske Veritas), The Netherlands.

TYRE CARE AND MAINTENANCE

- ▣ Fit the Tyre on recommended rim size only.
- ▣ Ensure wheel rim is straight & is free from rust and dust.
- ▣ Always fit new Tube with new Tyre.
- ▣ Before inserting the Tube inside the Tyre, check the Tube for any leakage.
- ▣ Do not overload the vehicle.
- ▣ Maintain air pressure as per vehicle manufacturer recommendations.
